CHAIRMAN'S MESSAGE

STEADY AND READY

In a phase when changes are taking place at rapid speed with varying fluctuations and disruptions a company has to always first stabilize and consolidate and also have a long term vision and perspective to fulfil its responsibility towards stakeholders and society.

It is a complex task often that demands great team spirit and belief in the value of the company's role and contribution.

Your company is fortunate to be led and guided by such a group of dedicated guardians who fulfil their responsibility with enormous wisdom.

NATIONAL AND GLOBAL SCENARIO

The year gone by has been one of transition at the national and international levels with several actions and reactions taking place creating significant impact in various sectors. The effects of the change appear positive and inspire expectations for better scenarios in coming times.

The economic scenario appears to be a mixed bag of contradictory signals.

increased per capita income, decline in the national inflation, steady interest rates, and decline in the price of crude oil and weaker consumer sentiment in the second half of the financial year enabled India to retain its position as the world's fastest growing economy and the sixth largest economy (eleventh in 2013-14).

After growing at 6.7% in 2017-18, the Indian economy is expected to report a growth of 7% in 2018-19 (as per the second estimates of CSO).

The World Bank projected India's economic growth to accelerate to 7.5% in 2019-20. Package for public sector banks announced by the Government of India is expected to resolve banking sector Balance Sheets, enhance credit availability and spur national investment.

However, there are also challenges that seem to be emerging including recently mentioned lower industrial growth, reduced consumer demand in some segments, dynamic markets, adjustment to new regulatory systems, fluctuating global sentiment, fluid political environment and other factors that could modify the calculations of organizations and lead them to revise strategy and efforts.

It is a delicate balance that your company will strive to achieve by critically reviewing performance with flexible plans to maintain its sound and healthy progress.

COMPANY PERFORMANCE

The revenue from operations of the company from the various segment was **Rs. 33,554** lacs for the year 2018-19 as against the revenue from operations of Rs. 33,875 lacs during the year 2017-18.

Your Company earned net profit (including Comprehensive Income) as per Ind AS-19 of **Rs. 1,357 lacs** during the year **2018-19** as against the net profit (Including Comprehensive Income) as per Ind AS-19 of Rs.1,780 lacs during the year 2017-18.

Your Company's performance has maintained steady growth during 2018-19 due to implementation of GST & RERA in real estate sector. Even so management of the company is making sincere efforts for better performance in coming years through more innovative strategies and increased productivity.

BIGGEST ASSETS

Behind this positive story is the spirit and energies of the Metroglobal team which endeavours to contribute beyond the call of duty. I express my gratitude for what they have accomplished.

The tremendous support in all forms by the Board remains the backbone of overcoming hurdles and making progress even in difficult circumstances.

Your company Board has not only been the steady star of guidance but also the shining light of confidence for the team and I thankfully acknowledge the value of their inputs. Associated stakeholders added their own value in the process and progress. It is the continuous and strong support that has inspired the MetroGlobal team to strive harder and raise its performance levels.

ANNEXURE-1**MANAGEMENT DISCUSSION AND ANALYSIS REPORT****Indian economic overview**

After growing at 6.7% in 2017-18, the Indian economy is expected to report a growth of 7% in 2018-19 (as per the second estimates of CSO). The principal developments during the year comprised increased per capita income, decline in the national inflation, steady interest rates, decline in the price of crude oil and weaker consumer sentiment in the second half of the financial year. India retained its position as the world's fastest growing economy and the sixth largest economy. In 2018, India received more foreign inflows than China - US\$ 38 billion compared with China's US\$ 32 billion. India reported a 23-notch jump to 77th position in the World Bank's report on the Ease of Doing Business that captured the performance of 190 countries, reporting an improvement in six of 10 parameters.

Outlook

World Bank projected India's economic growth to accelerate to 7.5% in 2019-20. Strong private consumption and services are expected to catalyse economic activity. Private investment is expected to revive as the corporate sector adjusts to GST. The recapitalisation package for public sector banks announced by the Government of India is expected to resolve banking sector Balance Sheets, enhance credit availability and spur national investment.

CONSTRUCTION SECTOR

Construction industry in India will remain buoyant due to increased demand from real estate and infrastructure projects. Its contribution to the country's GDP is expected to be approximately 13%. India's construction industry is expected to grow at an annual average of 6.6% between 2019 and 2028.

DYES AND INTERMEDIATES: Dyeing is the process of imparting colours to a textile material. Different classes of dyes are used for different types of fiber and at different stages of the textile production process, from loose fibres through yarn and cloth to completed garments. Due to increasing growth of textile industries, demand of dyes and dye Intermediates are also increasing very fast in domestic as well as in global market. The demand for dyes and dye intermediates is expected to grow at around 6%, backed by strong demand from the textiles, leather, and inks industries. Dyestuff sector is one of the core chemical industries in India. It is also the second highest export segment in chemical industry. The major users of dyes in India are textiles, paper, plastics, printing ink and foodstuffs. The textiles sector consumes around 80% of the total production due to high demand for polyester and cotton, globally. Globally the dyestuffs industry has seen an impressive growth.

OPPORTUNITIES & THREATS :**Construction Sector:**

India has maintained a stable outlook on the construction sector for financial year 2018-19 on accelerated revenue growth due to increased spending by the Centre, giving a sector view, order inflows may continue to improve in the next fiscal 2019-20.

A surge of industries in and around major cities and emergence of new business sectors have created a flux of employment opportunities, attracting workforce from across the country. This phenomenon has also sustained the real estate market in the country which is now more buyer focused as the demand in residential sector has increased.

Dyes & Intermediates:

Pollution and effluent problems have become the single biggest factor in restricting the growth of the dyestuff industry in the developed nations. Tighter rules and regulations, strict laws and high standard for treatment of the effluents have forced these countries to look for better opportunities without sacrificing their interest. If India has to capitalize on these opportunity, then there seems to be no harm in encouraging this industry in the country provided proper measures are taken for effluent treatment. The world market for textiles is growing and, therefore, the demand for dyes will continue to grow in future. In the domestic market, the textile industry is passing through recession, if this phase continues for a long period, it may pose a threat to the dyestuff industry.

Various projects under Implementation:

Ganesh Infrastructure: Your Company has also become partner of "Ganesh Infrastructure" for development of land and Building at Ankleshwar. This project comprises of residential apartments, bungalows, commercial complexes & shopping malls.

DK Metro Industrial Estate: Your Company has acquired land in the industrial area of Chattral. The Commercial project is launched to develop an Industrial Estate comprising of commercial shops, sheds and plots under the Name of "DK Metro Industrial Estate"

My Space Infracon LLP: Your company has also become partner of “My Space Infracon LLP” who has acquired land in Ankleshwar to develop industrial plotting project.

A. SEGMENT WISE PERFORMANCE

INDEPENDENT AUDITOR'S REPORT**The Members of
MetroGlobal Limited****Report on the audit of the standalone IND AS financial statements****Opinion**

We have audited the accompanying standalone IND AS financial statements of MetroGlobal Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2019, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the standalone IND AS financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone IND AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year ended then ended.

Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone IND AS financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone IND AS financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

We have determined the matters described below to be the key audit matters to be communicated in our report:-

1. Impairment testing of Fully Owned Subsidiary Company & Associated Concern.

As at 31st March, 2019, the adjusted carrying amount of the investment in fully owned Subsidiary Company viz METROCHEM CAPITAL TRUST LIMITED of the statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Auditors' Response to the Key Audit Matter

Principal audit procedures performed:

Our audit procedures included among others, testing the Company's control surrounding the budgeting processes and the carrying value of investments.

We also assessed whether the Company's disclosures about the sensitivity of the outcome of impairment assessment to changes to key assumptions reflect the risks inherent, in the valuation of investment.

Information other than the financial statements and auditors' report thereon

- The Company's Board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board of Directors report but does not include the standalone IND AS financial statements, consolidated IND AS financial statements and our auditor's report thereon.
- Our opinion on the standalone IND AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

- In connection with our audit of the standalone IND AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone IND AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the standalone IND AS financial statements

The Company's board of directors is responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these standalone IND AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Rules, 2016, as amended from time to time, and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone IND AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of directors is also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the standalone IND AS financial statements

Our objectives are to obtain reasonable assurance about whether the standalone IND AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone IND AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone IND AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone IND AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the standalone IND AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope

of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The balance sheet, the statement of profit and loss, and the cash flow statement dealt with by this report are in agreement with the books of account;
 - d. In our opinion, the aforesaid standalone IND AS financial statements comply with the accounting standards specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014;
 - e. On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the board of directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act;
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting;
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197 (16) of the Act, as amended,
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act;
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

Annexure “A” to the Independent Auditor’s Report :

(Referred to paragraph under ‘Report on other legal and regulatory requirements’ section of the Independent Auditors’ Report of even date to the members of MetroGlobal Limited on the standalone IND AS financial statements for the year ended March 31, 2019)

1. In respect of the Company’s fixed assets: (Property, Plant & Equipment and Intangible assets):
 - (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of fixed assets.
 - (b) The fixed assets are physically verified by the Management during the year and there is regular programme of verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets and no material discrepancies have been noticed on such verification.
 - (c) The Immovable properties of land & buildings, & other properties whose title deeds have been pledged with banks as security for loans, are held in the name of Company.
2. The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable. According to the information and explanations given to us and as examined by us, no material discrepancies were noticed on such verification.
3. According to information and explanation given to us, the company has granted unsecured loans to companies, firms, limited liability partnerships or other parties covered in the register required under section 189 of the Companies Act, 2013. In our opinion, the rate of interest and other terms and conditions of such loans are not prima facie prejudicial to the interest of the company. In respect of the aforesaid loans, the parties are repaying the principal amounts as stipulated and are also regular in payment of interest, where applicable. In respect of the aforesaid loans, in the cases where the overdue amount is more than ninety days, in our opinion, reasonable steps have been taken by the company for the recovery of the principal amounts and interest, where applicable.
4. In our opinion and according to information and explanation given to us, in respect of loans, investments, guarantees and security, the Company has complied with the provisions of sections 185 and section 186 of the Companies Act, 2013.
5. In our opinion and according to the information and explanations given to us, the company has not accepted any deposits and accordingly paragraph 3 (v) of the order is not applicable.
6. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules 2014 prescribed by the Central Government under section 148(1) of the Companies Act, 2013 in respect of the Company’s products to which said rules are made applicable and are of the opinion that prima facie the prescribed cost records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
7. In respect of statutory dues:
 - (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including provident fund, employees’ state insurance, income-tax, sales- tax, service tax, goods and service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues have been generally regularly deposited during the year by the company with the appropriate authorities.

According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees’ state insurance, income-tax, sales- tax, service tax, goods and service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues were in arrears as at March 31, 2019 for a period of more than six months from the date they became payable
 - (b) According to the information and explanations given to us and the records of the company examined by us, there are no dues of income-tax, sales- tax, service tax, goods and service tax, duty of customs, duty of excise and value added tax which have not been deposited on account of any dispute.
8. In our opinion and according to the information and explanations given to us, the company has not defaulted in repayment of dues to banks or financial institutions or government during the year. The Company has not issued any debenture.
9. The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) and has not taken any term loans during the year. Accordingly, paragraph 3 (ix) of the order is not applicable.
10. To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no material fraud on the Company by its officers or employees has been noticed or reported during the year.

11. In our opinion and according to the information and explanations given to us, the Company has paid/ provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
12. The Company is not a Nidhi Company and accordingly, paragraph 3 (xii) of the order is not applicable to the Company.
13. According to the information and explanations given to us and based on our examination of the records of the company, transactions with the related parties are in compliance with section 177 and 188 of the Act. Where applicable, the details of such transactions have been disclosed in the standalone IND AS financial statements as required by the applicable accounting standards.
14. According to the information and explanations given to us and based on our examination of the records of the company, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, paragraph 3(xiv) of the order is not applicable.
15. According to the information and explanations given to us and based on our examination of the records of the company, the company has not entered into non-cash transactions with directors or persons connected with them. Accordingly, paragraph 3(xv) of the order is not applicable.
16. According to the information and explanations given to us and based on our examination of the records of the company, the company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.

Annexure “B” to the Independent Auditor’s Report

((Referred to to paragraph under ‘Report on other legal and regulatory requirements’ section of the Independent Auditors’ Report of even date to the members of MetroGlobal Limited on the standalone IND AS financial statements for the year ended March 31, 2019)

Report on the internal financial controls over financial reporting under clause (i) of sub – section 3 of section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of MetroGlobal Limited (“the Company”) as at March 31, 2019, in conjunction with our audit of the standalone IND AS financial statements of the Company for the year ended on that date.

Management’s responsibility for internal financial controls

The Company’s management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement in the standalone IND AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial control system over financial reporting.

Meaning of internal financial controls over financial reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone IND AS financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone IND AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The financial statements of the Company are prepared on historical cost basis except for the following assets and liabilities which have been measured at fair value:-

- Certain financial assets and liabilities (including Derivative Instruments)
- Defined Benefit and other Long term Employee Benefits,

1.3 CURRENT & NON-CURRENT CLASSIFICATION

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

1.4 USE OF ESTIMATES AND JUDGEMENTS

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognized in the period in which the results are known/materialized.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date

1.5 PROPERTY, PLANT AND EQUIPMENT**Property, Plant and Equipment**

All other items of property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. Costs include freight, import duties, non-refundable purchase taxes and other expenses directly attributable to the acquisition of the asset. Land is stated at Fair Value.

Depreciation/amortization:

Depreciation on fixed assets is provided on straight line method over the useful life of assets specified in Schedule II of the Companies Act, 2013.

The management believes that the useful life as given above the best represent the period over which the management expects to use these assets. The Company reviews the useful life and residual value at each reporting date.

Depreciation on assets added/sold or discarded during the year is being provided on pro-rata basis up to the date on which such assets are added/sold or discarded.

1.6 IMPAIRMENT OF NON-FINANCIAL ASSETS

The Company assesses at each reporting date whether there is any objective evidence that a non-financial asset or a group of non-financial assets are impaired. If any such indication exists, the Company estimates the amount of impairment loss. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets is considered as a cash generating unit. If any such indication exists, an estimate of the recoverable amount of the individual asset/cash generating unit is made.

An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognized in profit or loss. When the Company considers that there are no realistic prospects of

recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognized, then the previously recognized impairment loss is reversed through profit or loss

1.7 REVENUE RECOGNITION

Revenue is recognized to the extent that it is probable that the economic benefit will flow to the Company and the revenue can be measured reliably.

Sale of goods:

Revenue from the sale of goods is recognized when the significant risks and rewards of ownership of the goods have been transferred to the buyer.

Revenue from sale of goods is net of taxes and recovery of charges collected from customers like transport, packing etc. Provision is made for returns when appropriate. Revenue is measured at the fair value of consideration received or receivable and is net of price discounts, Freight, allowance for volume rebates, and similar items.

Other Income

Interest income is recognized on a time proportionate basis taking into account the amounts invested and the rate of interest.

1.8 INVENTORIES

- (i) Inventories are valued at lower of cost and net realizable value. Raw material cost is computed on quarterly weighted average basis.
- (ii) Finished goods and Work-in-Process include estimated cost of conversion and other costs incurred in bringing the inventories to their present location and condition.
- (iii) Inventory of stores and spares, being not material, are charged to consumption on procurement.

1.9 FINANCIAL INSTRUMENTS

Financial assets - Initial recognition

Financial assets are recognized when the Company becomes a party to the contractual provisions of the instruments. Financial assets other than trade receivables are initially recognized at fair value plus transaction costs for all financial assets not carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognized at fair value, and transaction costs are expensed in the Statement of Profit and Loss.

Subsequent measurement

Financial assets, other than equity instruments, are subsequently measured at amortized cost, fair value through other comprehensive income or fair value through profit or loss on the basis of both:

- (a) The entity's business model for managing the financial assets and
- (b) The Contractual cash flow characteristics of the financial asset.

(a) Measured at amortised cost:

A financial asset is measured at amortized cost, if it is held under the hold to collect business model i.e. held with an objective of holding the assets to collect contractual cash flows and the contractual cash flows are solely payments of principal and interest on the principal outstanding. Amortized cost is calculated using the effective interest rate ("EIR") method by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in interest income in the Statement of Profit and Loss. The losses arising from impairment are recognized in the Statement of Profit and Loss. On derecognition, gain or loss, if any, is recognised to Statement of Profit and Loss.

(b) Measured at fair value through other comprehensive income

A financial asset is measured at FVOCI, if it is held under the hold to collect and sell business model i.e. held with an objective to collect contractual cash flows and selling such financial asset and the contractual cash flows are solely payments of principal and interest on the principal outstanding. It is subsequently measured at fair value with fair value movements recognised in the OCI, except for interest income which recognised using EIR method. The losses arising from impairment are recognised in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognised in the OCI is reclassified from the equity to Statement of Profit and Loss.

(c) Measured at fair value through profit or loss

Investment in financial asset other than equity instrument, not measured at either amortised cost or FVOCI is measured at FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised in the Statement of Profit and Loss.

Financial Liabilities

Initial Recognition and measurement

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial liabilities are initially recognised at fair value net of transaction costs for all financial liabilities not carried at fair value through profit or loss.

The Company's financial liabilities includes trade and other payables, loans and borrowings including bank overdrafts and derivative instruments.

Subsequent measurement

Financial liabilities measured at amortised cost are subsequently measured at using EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

Loans & Borrowings:

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using EIR method. Gains and losses are recognized in profit & loss when the liabilities are derecognized as well as through EIR amortization process.

Financial Guarantee Contracts

Financial guarantee contracts issued by the Company are those contracts that requires a payment to be made or to reimburse the holder for a loss it incurs because the specified debtors fails to make payment when due in accordance with the term of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee.

Subsequently the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative adjustments.

Derivative financial instruments

The Company uses derivative financial instruments, such as forward foreign exchange contracts, to hedge its foreign currency risks. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently remeasured at fair value, with changes in fair value recognised in Statement of Profit and Loss.

1.10 FAIR VALUE MEASUREMENT:

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or settle a liability in an ordinary transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or settle a liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) prices in active markets for identical assets or liabilities.
- Level 2 — other techniques for which all input which have a significant effect on the recorded fair value are observable, either directly or indirectly.
- Level 3 — Inputs which are not based on observable market data

1.11 EMPLOYEE BENEFITS

The Company has provides following post-employment plans:

- (a) Defined benefit plans such a gratuity and
- (b) Defined contribution plans such as Provident fund & ESIC

a) Defined-benefit plan:

The liability or asset recognised in the balance sheet in respect of defined benefit plan is the present value of defined benefit obligations at the end of the reporting period less fair value of plan assets. The defined benefit obligations is calculated annually by actuaries through actuarial valuation using the projected unit credit method.

The Company recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

- (a) Service costs comprising current service costs, past-service costs, gains and losses on curtailment and non-routine settlements; and
- (b) Net interest expense or income

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and fair value of plan assets. This cost is included in employee benefit expenses in the statement of the profit & loss.

Re-measurement comprising of actuarial gains and losses arising from

- (a) Re-measurement of Actuarial(gains)/losses
- (b) Return on plan assets, excluding amount recognized in effect of asset ceiling
- (c) Re-measurement arising because of change in effect of asset ceiling

are recognised in the period in which they occur directly in Other comprehensive income. Re-measurement are not reclassified to profit or loss in subsequent periods.

Ind AS 19 requires the exercise of judgment in relation to various assumptions including future pay rises, inflation and discount rates and employee and pensioner demographics. The Company determines the assumptions in conjunction with its actuaries, and believes these assumptions to be in line with best practice, but the application of different assumptions could have a significant effect on the amounts reflected in the income statement, other comprehensive income and balance sheet. There may be also interdependency between some of the assumptions.

b) Defined-contribution plan:

Under defined contribution plans, provident fund, the Company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. Defined Contribution plan comprise of contributions to the employees' provident fund with the government, superannuation fund and certain state plans like Employees' State Insurance and Employees' Pension Scheme. The Company's payments to the defined contribution plans are recognised as expenses during the period in which the employees perform the services that the payment covers.

c) Other employee benefits:

- (a) Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the present value of the obligation as at the Balance sheet date determined based on an actuarial valuation.
- (b) Undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the period when the employee renders the related services.

1.12 LEASES

A lease is classified at the inception date as a finance lease or an operating lease. Leases under which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of the minimum lease payments at the inception of the lease, whichever is lower. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the statement of profit and loss.

Other leases are treated as operating leases, with payments are recognised as expense in the statement of profit & loss on a straight-line basis over the lease term.

1.13 FOREIGN CURRENCY TRANSACTIONS

a) Initial Recognition

Transactions in foreign currency are recorded at the exchange rate prevailing on the date of the transaction. Exchange differences arising on foreign exchange transactions settled during the year are recognized in the Statement of Profit and Loss of the year.

b) Measurement of Foreign Currency Items at the Balance Sheet Date

Foreign currency monetary items of the Company are restated at the closing exchange rates. Non-monetary items are recorded at the exchange rate prevailing on the date of the transaction. Exchange differences arising out of these transactions are charged to the Statement of Profit and Loss.

1.14 TAX EXPENSES

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

1.15 PROVISIONS AND CONTINGENCIES

A provision is recognised if, as a result of a past event, the group has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions for onerous contracts are recognized when the expected benefits to be derived by the Company from a contract are lower than the unavoidable costs of meeting the future obligations under the contract.

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources or an obligation for which the future outcome cannot be ascertained with reasonable certainty. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

1.16 CASH AND CASH EQUIVALENTS

Cash and Cash equivalents include cash and Cheque in hand, bank balances, demand deposits with banks and other short-term highly liquid investments that are readily convertible to known amounts of cash & which are subject to an insignificant risk of changes in value.

1.17 CASH FLOW STATEMENT

Cash flows are reported using the indirect method where by the profit before tax is adjusted for the effect of the transactions of a non-cash nature, any deferrals or accruals of past and future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

1.18 BORROWING COST

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets are capitalized as a part of Cost of that assets, during the period till all the activities necessary to prepare the Qualifying assets for its intended use or sale are complete during the period of time that is required to complete and prepare the assets for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Other borrowing costs are recognized as an expense in the period in which they are incurred.

1.19 EARNINGS PER SHARE

Basic EPS is arrived at based on net profit after tax available to equity shareholders to the weighted average number of equity shares outstanding during the year.

The diluted EPS is calculated on the same basis as basic EPS, after adjusting for the effects of potential dilutive equity shares unless impact is anti-dilutive.

NOTE - 26 : FINANCIAL INSTRUMENTS

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short term maturities of these instruments.
2. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.

The Financial Instruments are categorised in two level based on the inputs used to arrive at fair value measurements as described below:-

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: Inputs which are not based on observable market data

Note 26—Financial Risk Management

Financial risk management objectives and policies

The company's principal financial liabilities comprises of loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include mutual funds, trade and other receivable and cash and cash equivalents that derive directly from its operations. The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The senior management ensures that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Company does not enter into or trade financial instruments, including derivative financial instruments, for speculative purpose. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below :

Market risk is the risk that changes in market prices-such as foreign exchange rates, interest rates and equity prices will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters while optimizing the return. The major components of market risk are foreign currency risk and interest rate risk .

(i) Market Risk- Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's main interest rate risk arises from the long term borrowings with fixed rates. The Company's fixed rates borrowings are carried at amortized cost. The Company invests the surplus fund generated from operations in mutual funds. Considering these mutual funds are short term in nature, there is no significant interest rate risk. The Company has laid policies and guidelines including tenure of investment made to minimize impact of interest rate risk

(Rs in Lacs)

Particulars	As at 31st March, 2019	As at 31st March, 2018
Borrowings bearing variable rate of interest	1,155.58	2,380.79
Borrowings bearing Fixed rate of interest	2,072.90	4,442.31

(ii) Market Risk- Foreign currency risk.

Foreign currency risk is the risk that the fair fluctuate because in foreign exchange rates. The Company does not have material foreign currency exposure as at balance sheet date. Hence, it does not have any significant foreign currency risk.

(iii) Credit risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the company periodically assess financial reliability of customer, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly.

The company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- i) Actual or expected significant adverse changes in business,
- ii) Actual or expected significant changes in the operating results of the counterparty,
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations,
- iv) Significant increase in credit risk on other financial instruments of the same counterparty,
- v) Significant changes in the value of the collateral supporting the obligation or in the quality of the third-party guarantees or credit enhancements.

Total	1,118.82	6,465.46

(iv) Liquidity Risk

Liquidity risk is defined as the risk that the company will not be able to settle or meet its obligations on time, or at a reasonable price. The company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related such risk are overseen by senior management. Management monitors the company's net liquidity position through rolling forecasts on the basis of expected cash flows.

INDEPENDENT AUDITORS' REPORT

Report on the audit of the consolidated IND AS financial statements

Opinion

We have audited the accompanying consolidated financial statements of METROGLOBAL LIMITED (hereinafter referred to as 'the Holding Company') and its subsidiaries and associates (the Holding Company and its subsidiaries and associates together referred to as "the Group"), which comprise the consolidated balance sheet as at 31 March 2019, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on separate financial statements of such subsidiaries and associates as were audited by the other auditors, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ('Ind AS'), and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2019, their consolidated total comprehensive income, their consolidated cash flows and their consolidated changes in equity for the year ended on that date.

Basis for opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143 (10) of the Act. Our responsibilities under those SAs are further described in the Auditors' Responsibility for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India, and we have fulfilled our other ethical responsibilities in accordance with provisions of the Act. We believe that the audit evidence we have obtained and evidence obtained by the other auditors in terms of their reports referred to in the 'Other Matters' paragraph below, is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of Consolidated IND AS financial statements for the financial year ended March 31, 2019. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to be communicated in our report. Hence Auditor's response to the key matter is not applicable.

Information other than the consolidated IND AS financial statements and auditors' report thereon

- The Parent's Board of Directors and the Company's Management are responsible for the other information. The other information comprises the information included in the Holding Company's annual report, but does not include the financial statements and our auditors' report thereon.
- Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work done / audit report of other auditors,
- we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the consolidated IND AS financial statements

The Holding Company's Management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated profit / loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate

accounting records in accordance with the provisions of the Act for safeguarding the assets of each company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group (Holding Company and subsidiaries) or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group is responsible for overseeing the financial reporting process of each company.

Auditor's responsibilities for the audit of the consolidated IND AS financial statements

Our objective is to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also::

- Identify and assess the risks of material misstatement of the consolidated IND AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group (Holding Company and subsidiaries/associates) to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the consolidated IND AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements, of which we are the independent auditors. We are responsible for direction, supervision and performance of the audit of the financial information of such entities.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in para (a) of the section titled 'Other Matters' in this audit report.

We believe that the audit evidence obtained by us along with the consideration of audit reports of the other auditors referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of subsidiaries and associates whose financial statements have been audited by other auditors whose report has been furnished to us. Our opinion is based solely on the report of such other auditors. and financial statements as certified by the management.

Our opinion is not modified in respect of this matter.

Report on other legal and regulatory requirements

As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditors on the separate financial statements of the subsidiary referred to in the Other Matters section above we report, to the extent applicable that:

- a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief, were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;
- c) The consolidated balance sheet, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
- d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act;
- e) On the basis of the written representations received from the directors of the Holding Company as on 31 March 2019 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group companies incorporated in India are disqualified as on 31 March 2019 from being appointed as a director in terms of Section 164 (2) of the Act;
- f) With respect to adequacy of the internal financial controls with reference to financial statements of the Holding Company and its subsidiary-associates companies and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, In our opinion and to the best of our information and according to the

explanations given to us, the remuneration paid by the Parent to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements and also the other financial information of the subsidiaries/associates, as noted in the 'Other Matters' paragraph:
- The Holding Company and its subsidiary/associate companies Company do not have any pending litigations which would impact its financial statements;
 - The Holding Company and its subsidiary/associate companies did not have any long-term contracts, including derivative contracts, for which there were any material foreseeable losses; and
 - There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary /associate companies during the year ended 31 March 2019.

Annexure “A” to the Independent Auditor’s Report

((Referred to to paragraph under ‘Report on other legal and regulatory requirements’ section of the Independent Auditors’ Report of even date to the members of MetroGlobal Limited on the consolidated IND AS financial statements for the year ended March 31, 2019)

Report on the internal financial controls over financial reporting under clause (i) of sub – section 3 of section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated Ind AS financial statements of MetroGlobal Limited as of and for the year ended March 31, 2019, we have audited the internal financial controls over financial reporting of MetroGlobal Limited (hereinafter referred to as the “Holding Company”) and its subsidiary/associate companies, which are companies incorporated in India, as of that date.

Management’s responsibility for internal financial controls

The board of directors of Holding Company and its subsidiary/associate are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement in the consolidated IND AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the relevant subsidiary/associate companies, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements

Meaning of internal financial controls over financial reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated IND AS financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated IND AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to the information and explanations given to us, the Holding Company and its subsidiary/ associate have, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019**Significant Accounting Policies and other Explanatory Information to the Consolidated Financial Statements for the Financial Year ended 31st March, 2019****Note 1****1.1 Basis of Preparation**

Metroglobal Limited is a public limited company domiciled in India and earlier incorporated under the provisions of Companies Act, 1956 now governed by Companies Act 2013. Its Shares are listed and traded on BSE. Company is in the business of trading of speciality chemicals, dye intermediates, solvents, basic chemicals & mineral ore, textile fabric, Plastic granules etc.

Consolidated Financial Statements include the consolidated Balance Sheet, consolidated Statement of Profit and Loss, consolidated Cash Flow Statement and consolidated Statement of Changes in Equity of the Parent Company and its subsidiary company and associates companies (hereinafter referred as the 'Group')

Principles of Consolidation

The CFS relate to Metroglobal Limited and its subsidiary company and associates companies. The financial statements of the subsidiary used in consolidation are drawn/prepared on line to line basis and consolidation for associate companies are done as per equity method.

1.2 SIGNIFICANT ACCOUNTING POLICIES**Statement of Compliance with Ind AS.**

The Consolidated Financial Statements of the Company are prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Indian Accounting Standards) (Amendment) Rules, 2016 notified under Section 133 of the Companies Act, 2013 (the "Act") and other relevant provisions of the Act.

1.3 CURRENT & NON-CURRENT CLASSIFICATION

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

1.4.1 USE OF ESTIMATES AND JUDGEMENTS

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/materialized.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date

1.5 PROPERTY, PLANT AND EQUIPMENT**Property, Plant and Equipment**

Freehold land is carried at historical cost. All other items of property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. Costs include freight, import duties, non-refundable purchase taxes and other expenses directly attributable to the acquisition of the asset.

Leasehold land is stated at historical cost less amounts written off proportionate to expired lease period.

Depreciation/amortization:

Depreciation on fixed assets is provided on straight line method over the useful lives of assets specified in Schedule II of the Companies Act, 2013.

The management believes that the useful life as given above the best represent the period over which the management expects to use these assets. The Company reviews the useful life and residual value at each reporting date.

Depreciation on assets added/sold or discarded during the year is being provided on pro-rata basis up to the date on which such assets are added/sold or discarded.

1.6 IMPAIRMENT OF NON-FINANCIAL ASSETS

The Company assesses at each reporting date whether there is any objective evidence that a non-financial asset or a group of non-financial assets are impaired. If any such indication exists, the Company estimates the amount of impairment loss. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets is considered as a cash generating unit. If any such indication exists, an estimate of the recoverable amount of the individual asset/cash generating unit is made.

NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognised in profit or loss. When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognized, then the previously recognized impairment loss is reversed through profit or loss

1.7 REVENUE RECOGNITION

Revenue is recognized to the extent that it is probable that the economic benefit will flow to the Company and the revenue can be measured reliably.

Sale of goods:

Revenue from the sale of goods is recognized when the significant risks and rewards of ownership of the goods have been transferred to the buyer.

Revenue from sale of goods is net of taxes and recovery of charges collected from customers like transport, packing etc. Provision is made for returns when appropriate. Revenue is measured at the fair value of consideration received or receivable and is net of price discounts, Freight, allowance for volume rebates, and similar items.

Other Income

Interest income is recognized on a time proportionate basis taking into account the amounts invested and the rate of interest.

1.8 INVENTORIES

- (i) Inventories are valued at lower of cost and net realizable value. Raw material cost is computed on quarterly weighted average basis.
- (ii) Finished goods and Work-in-Process include estimated cost of conversion and other costs incurred in bringing the inventories to their present location and condition.
- (iii) Inventory of stores and spares, being not material, are charged to consumption on procurement.

1.9 FINANCIAL INSTRUMENTS**Financial assets - Initial recognition**

Financial assets are recognized when the Company becomes a party to the contractual provisions of the instruments. Financial assets other than trade receivables are initially recognized at fair value plus transaction costs for all financial assets not carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognized at fair value, and transaction costs are expensed in the Statement of Profit and Loss.

Subsequent measurement

Financial assets, other than equity instruments, are subsequently measured at amortized cost, fair value through other comprehensive income or fair value through profit or loss on the basis of both:

- (a) The entity's business model for managing the financial assets and
- (b) The Contractual cash flow characteristics of the financial asset.

(a) Measured at amortised cost:

A financial asset is measured at amortized cost, if it is held under the hold to collect business model i.e. held with an objective of holding the assets to collect contractual cash flows and the contractual cash flows are solely payments of principal and interest on the principal outstanding. Amortized cost is calculated using the effective interest rate ("EIR") method by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in interest income in the Statement of Profit and Loss. The losses arising from impairment are recognized in the Statement of Profit and Loss. On derecognition, gain or loss, if any, is recognised to Statement of Profit and Loss.

(b) Measured at fair value through other comprehensive income

A financial asset is measured at FVOCI, if it is held under the hold to collect and sell business model i.e. held with an objective to collect contractual cash flows and selling such financial asset and the contractual cash flows are solely payments of principal and interest on the principal outstanding. It is subsequently measured at fair value with fair value movements recognised in the OCI, except for interest income which recognised using EIR method. The losses arising from impairment are recognised in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognised in the OCI is reclassified from the equity to Statement of Profit and Loss.

(c) Measured at fair value through profit or loss

Investment in financial asset other than equity instrument, not measured at either amortised cost or FVOCI is measured at FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised in the Statement of Profit and Loss.

NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019**Financial Liabilities****Initial Recognition and measurement**

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial liabilities are initially recognised at fair value net of transaction costs for all financial liabilities not carried at fair value through profit or loss.

The Company's financial liabilities includes trade and other payables, loans and borrowings including bank overdrafts and derivative instruments.

Subsequent measurement

Financial liabilities measured at amortised cost are subsequently measured at using EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

Loans & Borrowings:

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using EIR method. Gains and losses are recognized in profit & loss when the liabilities are derecognized as well as through EIR amortization process.

Financial Guarantee Contracts

Financial guarantee contracts issued by the Company are those contracts that requires a payment to be made or to reimburse the holder for a loss it incurs because the specified debtors fails to make payment when due in accordance with the term of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee.

Subsequently the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative adjustments.

Derivative financial instruments

The Company uses derivative financial instruments, such as forward foreign exchange contracts, to hedge its foreign currency risks. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently remeasured at fair value, with changes in fair value recognised in Statement of Profit and Loss.

1.10 FAIR VALUE MEASUREMENT:

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or or settle a liability in an ordinary transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or settle a liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) prices in active markets for identical assets or liabilities.
- Level 2 — other techniques for which all input which have a significant effect on the recorded fair value are observable, either directly or indirectly.
- Level 3 — Inputs which are not based on observable market data

1.11 EMPLOYEE BENEFITS

The Company has provides following post-employment plans:

- (a) Defined benefit plans such a gratuity and
- (b) Defined contribution plans such as Provident fund & ESIC

NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019**a) Defined-benefit plan:**

The liability or asset recognised in the balance sheet in respect of defined benefit plan is the present value of defined benefit obligations at the end of the reporting period less fair value of plan assets. The defined benefit obligations are calculated annually by actuaries through actuarial valuation using the projected unit credit method.

The Company recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

- (a) Service costs comprising current service costs, past-service costs, gains and losses on curtailment and non-routine settlements; and
- (b) Net interest expense or income

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and fair value of plan assets. This cost is included in employee benefit expenses in the statement of the profit & loss.

Re-measurement comprising of actuarial gains and losses arising from

- (a) Re-measurement of Actuarial(gains)/losses
- (b) Return on plan assets, excluding amount recognized in effect of asset ceiling
- (c) Re-measurement arising because of change in effect of asset ceiling

are recognised in the period in which they occur directly in Other comprehensive income. Re-measurement are not reclassified to profit or loss in subsequent periods.

Ind AS 19 requires the exercise of judgment in relation to various assumptions including future pay rises, inflation and discount rates and employee and pensioner demographics. The Company determines the assumptions in conjunction with its actuaries, and believes these assumptions to be in line with best practice, but the application of different assumptions could have a significant effect on the amounts reflected in the income statement, other comprehensive income and balance sheet. There may be also interdependency between some of the assumptions.

b) Defined-contribution plan:

Under defined contribution plans, provident fund, the Company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. Defined Contribution plan comprise of contributions to the employees' provident fund with the government, superannuation fund and certain state plans like Employees' State Insurance and Employees' Pension Scheme. The Company's payments to the defined contribution plans are recognised as expenses during the period in which the employees perform the services that the payment covers.

c) Other employee benefits:

- (a) Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the present value of the obligation as at the Balance sheet date determined based on an actuarial valuation.
- (b) Undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the period when the employee renders the related services.

1.12 LEASES

A lease is classified at the inception date as a finance lease or an operating lease. Leases under which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of the minimum lease payments at the inception of the lease, whichever is lower. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the statement of profit and loss

Other leases are treated as operating leases, with payments are recognised as expense in the statement of profit & loss on a straight-line basis over the lease term.

1.13 FOREIGN CURRENCY TRANSACTIONS**a) Initial Recognition**

Transactions in foreign currency are recorded at the exchange rate prevailing on the date of the transaction. Exchange differences arising on foreign exchange transactions settled during the year are recognized in the Statement of Profit and Loss of the year.

NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019**b) Measurement of Foreign Currency Items at the Balance Sheet Date**

Foreign currency monetary items of the Company are restated at the closing exchange rates. Non-monetary items are recorded at the exchange rate prevailing on the date of the transaction. Exchange differences arising out of these transactions are charged to the Statement of Profit and Loss.

1.14.1 TAX EXPENSES

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

Minimum Alternative Tax ('MAT') credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income-tax during the specified period. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income-tax during the specified period.

1.15 PROVISIONS AND CONTINGENCIES

A provision is recognised if, as a result of a past event, the group has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions for onerous contracts are recognized when the expected benefits to be derived by the Company from a contract are lower than the unavoidable costs of meeting the future obligations under the contract.

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources or an obligation for which the future outcome cannot be ascertained with reasonable certainty. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

1.16 CASH AND CASH EQUIVALENTS

Cash and Cash equivalents include cash and Cheque in hand, bank balances, demand deposits with banks and other short-term highly liquid investments that are readily convertible to known amounts of cash & which are subject to an insignificant risk of changes in value. Where original maturity is three months or less.

1.17 CASH FLOW STATEMENT

Cash flows are reported using the indirect method where by the profit before tax is adjusted for the effect of the transactions of a non-cash nature, any deferrals or accruals of past and future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

1.18 BORROWING COST

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets are capitalized as a part of Cost of that assets, during the period till all the activities necessary to prepare the Qualifying assets for its intended use or sale are complete during the period of time that is required to complete and prepare the assets for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Other borrowing costs are recognized as an expense in the period in which they are incurred.

1.19 EARNINGS PER SHARE

Basic EPS is arrived at based on net profit after tax available to equity shareholders to the weighted average number of equity shares outstanding during the year.

The diluted EPS is calculated on the same basis as basic EPS, after adjusting for the effects of potential dilutive equity shares unless impact is anti-dilutive.

NOTE - 26 : FINANCIAL INSTRUMENTS

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short term maturities of these instruments.
2. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.

The Financial Instruments are categorised in two level based on the inputs used to arrive at fair value measurements as described below:-

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: Inputs which are not based on observable market data

Note 27—Financial Risk Management
Financial risk management objectives and policies

The company's principal financial liabilities comprises of loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include mutual funds, trade and other receivable and cash and cash equivalents that derive directly from its operations. The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The senior management ensures that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Company does not enter into or trade financial instruments, including derivative financial instruments, for speculative purpose. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below :

Market risk is the risk that changes in market prices-such as foreign exchange rates, interest rates and equity prices will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters while optimizing the return. The major components of market risk are foreign currency risk and interest rate risk .

(i) Market Risk- Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's main interest rate risk arises from the long term borrowings with fixed rates. The Company's fixed rates borrowings are carried at amortized cost. The Company invests the surplus fund generated from operations in mutual funds. Considering these mutual funds are short term in nature, there is no significant interest rate risk. The Company has laid policies and guidelines including tenure of investment made to minimize impact of interest rate risk

Exposure to interest rate risk

	As at 31st March, 2019	As at 31st March, 2018
Borrowings bearing variable rate of interest	1,155.58	2,380.79
Borrowings bearing Fixed rate of interest	1,812.07	4,442.31

NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019
(ii) Market Risk- Foreign currency risk.

Foreign currency risk is the risk that the fair fluctuate because in foreign exchange rates. The Company does not have material foreign currency exposure as at balance sheet date. Hence, it does not have any significant foreign currency risk.

(iii) Credit risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the company periodically assess financial reliability of customer, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly.

The company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- i) Actual or expected significant adverse changes in business,
- ii) Actual or expected significant changes in the operating results of the counterparty,
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations,
- iv) Significant increase in credit risk on other financial instruments of the same counterparty,
- v) Significant changes in the value of the collateral supporting the obligation or in the quality of the third-party guarantees or credit enhancements .

0-6 months	1,118.82	6,465.46
beyond 6 months	-	-
Total	1,118.82	6,465.46

(iv) Liquidity Risk

Liquidity risk is defined as the risk that the company will not be able to settle or meet its obligations on time, or at a reasonable price. The company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related such risk are overseen by senior management. Management monitors the company's net liquidity position through rolling forecasts on the basis of expected cash flows.

The company had access to following undrawn Borrowing facilities at end of reporting period:
